Aluminium Pergola 3m x 3m - Anthracite Grey RAL 7016 with Adjustable Louvred Roof - Aluminium Patio Garden Screen Canopy (2.5m High)

~~£1,440.00~~ **£979.99**

Product Description

- **[3m x 3m Pergola Suits Any Garden & Patio]** This premium aluminium pergola measures 3m x 3m, making it ideal for creating a stylish covered seating, dining or entertaining area in gardens, patios and terraces.
- **[Adjustable Louvred Roof with Manual Crank Handle - 2 Sides]** Easily open or close the roof louvres using the supplied winding handle to control sunlight, shade, ventilation and protection from light rain. Whatsmore, split into 2 sections allowing you to either half open or close 1 side only at a time. Perfect for catching the sun from an array of angles.
- **[Anthracite Grey RAL 7016 Powder-Coated Finish]** Finished in modern Anthracite Grey (RAL 7016), this pergola offers a sleek contemporary appearance with a durable weather-resistant coating complete with all stainless steel fixings & Screw
- **[Integrated Drainage System for Rainwater Management]** Built-in drainage channels direct rainwater through the pergola legs, keeping the roof area neat and preventing water runoff around your patio.
- **[Quick & Easy to Assemble Complete Kit]** Supplied with all required fixings and clear installation instructions, this low-maintenance aluminium pergola is designed for fast and straightforward assembly
- [**Heavy Duty Design]** Complete with 100mm x 100mm 4 legged posts, & 140mm 76mm main perimeter frame
