Water Fire Extinguisher 6 Litre / 9 Litre - BS EN 3 Kitemarked Class A Fire Extinguisher for Offices, Schools, HMOs & Landlords - Next Day Delivery

£28.99

Product Description

Water Fire Extinguishers - 6 Litre & 9 Litre

The traditional, cost-effective solution for fires involving **ordinary combustible materials**. Water extinguishers are the most common type in UK buildings and the standard choice for **offices, schools, colleges, retail premises, public buildings, HMOs and rental properties**. Pair with a CO2 extinguisher to cover electrical risks.

Suitable For - Class A Fires

- Paper & cardboard
- Wood & furniture
- Textiles & fabrics

Do not use on live electrical equipment, flammable liquids or cooking oil fires. Protect against freezing.

- Operating temperature: +5C to +60C

- Hose with nozzle, squeeze-grip lever, safety pin & tamper seal
- Manufactured & BSI Kitemarked to BS EN 3, CE marked

Make your building compliant. Under the Regulatory Reform (Fire Safety) Order 2005 (England & Wales), businesses, landlords and HMO owners must provide suitable fire-fighting equipment. Our water fire extinguishers are **manufactured and BSI Kitemarked to BS EN 3** and CE marked - ideal for **schools, colleges, offices, HMOs, rental properties, shops, warehouses, workshops and construction sites**.

Tip: most premises need a **water** extinguisher (Class A) plus a **CO2** extinguisher (electrical) on every floor, near exits.

Add-ons

- **Wall mounting hook / bracket - 1.99** - keep the extinguisher off the floor, visible and within easy reach.
- **Self-adhesive fire extinguisher ID wall sign - 4.99** - shows which extinguisher is fitted and what it can be used on, as recommended by BS 5306-8.

Multi-Buy Trade Discounts

Delivery

UK stock - next day delivery on orders placed before the daily cut-off (UK mainland). Manufactured by **fireextinguishersdirect.com**.

Servicing

BS 5306-3 recommends fire extinguishers are commissioned on installation and serviced annually by a competent person. Each unit is fitted with a safety pin, tamper seal and clear operating instructions (remove safety device, aim at the fire, squeeze levers).
