Product Description

5 PACK - 5 x ABC Dry Powder fire extinguishers of your chosen size, **save 2%** compared with buying singly. Add 5 wall hooks and 5 ID wall signs (legal requirement) from the options. Need a mix of types or more than 5? Call 02920 099 098.

ABC Dry Powder Fire Extinguishers - 1kg, 2kg, 6kg & 9kg

Versatile **multi-purpose ABC dry powder fire extinguishers**, suitable for the widest range of fire risks - the popular choice for **vehicles, vans, garages, workshops, boiler rooms, construction sites and industrial premises**. Choose your size from the drop-down - the compact 1kg is ideal for cars and vans, while the 6kg and 9kg cover larger commercial and outdoor risks.

Suitable For

- **Class A** - wood, paper & textiles
- **Class B** - flammable liquids (petrol, diesel, oils, paints)
- **Class C** - flammable gases
- **Electrical equipment** - tested up to 1000V at a minimum distance of 1m

Not recommended for use in small enclosed rooms - the powder reduces visibility. For offices and indoor areas choose a water + CO2 pair.

Make your building compliant. Under the Regulatory Reform (Fire Safety) Order 2005 (England & Wales), businesses, landlords and HMO owners must provide suitable fire-fighting equipment. Our ABC dry powder fire extinguishers are **manufactured and BSI Kitemarked to BS EN 3** and CE marked - ideal for **schools, colleges, offices, HMOs, rental properties, shops, warehouses, workshops and construction sites**.

Tip: most premises need a **water** extinguisher (Class A) plus a **CO2** extinguisher (electrical) on every floor, near exits.

Add-ons

- **5 x wall mounting hooks / brackets - 14.95** - keep the extinguisher off the floor, visible and within easy reach.
- **5 x self-adhesive fire extinguisher ID wall signs - 29.95 (legal requirement)** - shows which extinguisher is fitted and what it can be used on, as recommended by BS 5306-8.
