Product Description

10 PACK - 10 x CO2 fire extinguishers of your chosen size, **save 5%** compared with buying singly. Add 10 wall hooks and 10 ID wall signs (legal requirement) from the options. Need a mix of types or more than 10? Call 02920 099 098.

CO2 Fire Extinguishers - 2kg & 5kg

Clean, effective protection for electrical hazards. Carbon dioxide (CO2) extinguishers are ideal for **electrical and IT equipment, offices, server rooms, kitchens (not cooking oil), plant rooms and workshops**, and for Class B flammable liquid fires. CO2 leaves **no residue**, so it won't damage sensitive electronics.

Suitable For

- **Electrical & IT equipment** - suitable for use on live electrical equipment up to 1000V at a distance of 1m
- **Class B** - flammable liquids (petrol, diesel, oils, solvents, paints)
- Offices & server rooms

Not suitable for Class A fires (wood, paper, textiles) - pair with a water extinguisher. Do not use in confined spaces.
